

FIVE YEARS FOR THE ANARCHISTS

MacQueen and Grossman, Declared Guilty of Inciting Riot in Paterson, Hear Their Sentence Calmly.

APPEAL FILED FOR THEM.

(Special to The Evening World.)
PATERNON, N. J., Oct. 31.—William MacQueen and Rudolph Grossman, the anarchists convicted on charges of rioting and malicious mischief at the Gaede, Bamford and Hall mills on the morning of June 15 last, were to-day sentenced to five years in prison on the two convictions.

Before pronouncing sentence the Court listened to an eloquent plea in the prisoners' behalf made by Lawyer Z. M. Ward, in which it was impressed on the Court that Grossman was not present on the day of the riots and that MacQueen had only counselled peaceful measures.

Judge Scott in sentencing the men said he saw no reason to distinguish between them; they were both guilty and by their actions on the day of the riots had placed a stain on the name of Paterson.

He said that if both men had stayed away from Belmont Park no disorder of any kind would have occurred. The Court was convinced, Judge Scott said, that both knew what would happen when they made their inflammatory speeches.

Both MacQueen and Grossman received their punishment with a show of calmness.

Immediately after sentence Lawyer Ward moved an appeal to the Court of Errors and Appeals and the men furnished new bail bonds in the same amount as the old ones for their appearance when wanted. In the regular course of events the appeal will not be decided upon in less than a year. Philip Geyer, sr., the wine merchant of Haledon, qualified again as the anarchists' bondsman.

The lightness of the sentence surprised most people, who were of the opinion that the court would deal harshly with the convicted men. The remaining charge, that of atrocious assault and battery on Officer Robinson and Harry L. Harris, will no doubt be nolle prosequi by Prosecutor Emley.

MacQueen and Grossman, after their few bail bonds were filled out and approved left at once for New York.
